Town and Country Animal Hospital is pleased to announce the grand opening of our **new grooming facility** located in the building immediately next door to our veterinary hospital. Our AKC safety certified groomers are able to provide grooming, bathing and nail trims for your four- legged friends along with more convenient parking for our animal hospital.

Jamie, the newest addition to our team, comes with over 15 years' experience in the grooming industry. In addition to her excellent scissor skills, Jamie is committed to delivering a positive and enjoyable experience for each pet's grooming visit.

A cage free environment is offered for our social pups; however, we also provide dedicated housing for dogs that enjoy more alone time. We do require that pets are current on their immunizations.

Our Pet Grooming is open:

**Tuesday- Friday 8am to 5pm**

**Saturday 8am to 12pm**

Please call our receptionists at Town and Country Animal Hospital at **239-353-5060** to schedule a grooming appointment or to request further information.
